Are they on the roof top...?

Kunimi...
PANT...

Family business... of the onmyouji?
Yeah...
That guy from before... is my relative. His name is Keiji.
But he and I don't get along... partly due to our family business.
Sorry!
I made you guys worry.

If you mention onmyouji in Japan, the most prominent is the Kunimi clan.
Every onmyouji in the country has some sort of connection to the Kunimi clan.
The majority of the rest are either commen or outcasts.
Full of excitement
Kitano
The Kunimi clan is then split into two major branches.
Keiji is in Kunimi's Kantou branch, and I am in Kunimi's Kansai branch.
Since most of the members are evenly matched, there is an intense rivalry between us.
Because of that, Keiji and I don't get along.
You could say...
...it's the worst

THERE'S NO WAY WE CAN GET ALONG IF IT'S LIKE THIS!
ふはは…
IF IT HAPPENED HE MUST BE MASOCHIST FOR SURE!!!
BECAUSE OF THAT HE ALWAYS CRITICIZES ME. AND LOOKS DOWN ON ME LIKE I'M AN IDIOT!!!
In contrast, not only am I weak, but they won't even give me any tasks. Because I can't complete tasks smoothly, I'm regarded as the useless person of the western branch
Despite his age, that guy's abilities and spiritual powers are top notch. He can complete his tasks with no problem, and is even called the "East Branch's Hope".
But...
MY POWERS RANDOMLY APPEAR AND DISAPPEAR LIKE A BROKEN TV WHEN I'M THINKING OF DOING SOMETHING ABOUT IT HE ALWAYS GETS IN THE WAY!!!
He's done that so many times!!
EVEN IF I'M USELESS I TRY MY BEST YET HE PRETENDS TO BE CARING AND SAYS "LET ME HELP YOU" PURPOSELY COMPLETING MY JOB WITHOUT ME ASKING FOR IT!
BESIDES IT'S PARTIALLY HIS FAULT I CAN'T IMPROVE!
THAT'S NOT TRUE!!!
Kitano, too... I saw it in my dream, too. Sorry that I am the only onmyouji here to have ruined your impressions...
No matter if it's running away to here
or being regarded as a useless onmyouji,
to let you guys see me in this ugly state.
It must be annoying to have such a friend.
ハ？：

ゴゴゴゴゴゴ…
The feeling is like Lap・ta; it truly exists!!!
To me, who entered the Occult Study Club, instead of the onmyouji's ability,
"They really exist!" makes me thankful enough!!!
Can you understand this feeling?!
If you want me to put this feeling into words... That's right...
Your point?
Erm..?
Kitano.

くるっ
This onmyouji is my friend and I get to see a living onmyouji! In other words, I get to eat my cake and still have it — the best free extras!!!
Is... Is that so...?
You're just enjoying it, right?
I don't really get it.

Sui...
Smile...
Although, I haven't known my friend Kurimi for long, he's very caring and considerate... not uncool at all!
To me... I see Kurimi as a friend... instead of an onmyouji...
Also...
That's right - being an onmyouji isn't completely who Kurimi Masaki is.
Instead, it's your human nature that counts.

Sou...
The one who always seems like he's saying "Those who get close to Sui are enemies" and was so harsh on us... That Sou is comforting me...
Even.. Even though.. I'm happy to hear that...
But...
What? Don't you understand Japanese properly?
After all the effort of saying something nice
Hey...
What you just said... Could it be a follow-up...to comfort me...?

'Cause you bluntly accept others' kindness!
It's not like that... definitely
But, Sou
That... Somehow, I feel betrayed
Somehow... having others pity my uselessness... I feels so conflicted.

Sou agreed with Kunimi
What's wrong...?
Indeed...
Is it because he knows that Kunimi is not ordinary, just like him...?
Since it's like this, Sou too...
Hey...
ホソ
Should we tell them... about Sou's situation...?
No...
Now's not the right time..
I see...
Well..I think that it's fine if it's those two...
Yeah...

HURRAY!!!
NOW WE CAN BECOME AN OFFICIAL CLUB—
Long live the Occult Study Club
Kitana! You're too excited!
Well... It's because I am a real one so it's hard for me to join...
It's like that
But... if you're an onmyouji, why are you against joining the Occult Study Group?
Boo Boo—
Why don't you join, since you're the person of interest~?
BUT!
If anyone finds out I'm an onmyouji, wouldn't they also find out how useless I am...? I don't want to...
EH?! REALLY?!
Yeah..
You're right! I'll join!
Since that is no longer a secret, there should be no concern about joining the club!

Aha haha
Ah~ Got enough members and found an onmyouji This is the start of a great high school life!!!
If this situation continues, I'll be able to find many other mysterious and novel stuff~ ♡
Just joking~ ♥
Or maybe you won't.
Is that so.
Speaking of other things!
Ah!
You said you were being glared at by Kanniazuki because you saw her confessing, right? I don't think that's the case.
Sui!
I-I didn't do.
EH? W-WHAT?
Eh...?

*T/N: TANUKI IS A JAPANESE RACCOON DOG. KAPPA IS A CHILD-SIZE HUMANOID WATER CREATURE IN JAPANESE FOLKLORE.

Hey♡
Hey♡
DIDN'T I ALREADY SAY I DON'T KNOW WHAT THEY REALLY ARE?!
Or shape shifters like foxes or tanuki*?
Are they kappas* or ghosts? Could they be aliens?!
What do you mean by nonhuman?! What kind of species are they?!
Can't you let me continue?!

That's why they keep trying to approach you guys.
I think it's because they suspect you found out their true form
Because you two passed through it and entered, it alarmed them greatly/ Something like that.
They were talking with a barrier activated, but
I-Is that so...?
Following the onmyouji I again have the chance to come face-to-face with many unknown creatures.
I am so happy that I could die.
Haa-
We didn't even know there was a barrier since they were just casually talking
Right, Sou?
Yeah...
By the way, did you guys notice anything back then?
ぶんぶん
Not at all.
I really wanted to tell you guys earlier...
But it would have been hard to explain if were weren't on the topic of onmyouji... so I couldn't say it... sorry...
No, nothing could have been done. Don't worry about it!
That's true... Or else Sui wouldn't have kept mistaking it as a confession...
Wah— Please forget about it—?

Indeed, detecting auras is my specialty.
I don't sense any suspicious aura from them too...
But if it's like this...
How were they able to pass through the barrier back then...?

Getting back to the point... How come Kunimi knows what happened that time?
Ah, it's because I was also there.
There were certainly only two of them

EHHH?! NO WAY!
It's true!
Although my sight is weak for an onmyouji, just sensing the aura is within my capabilities.
Well in the end I still can't see, so it is not that useful

That's why I was able to detect the location. I monitored the whole event since the beginning.
The shadow at that time was actually me!

But... Is there something up with those two?
Putting that strangeness aside, don't they get along too well only with each other (especially Suu)?!

Isn't it... better to tell them about these things?

I'm more interested in Sou and Sui's true identity...

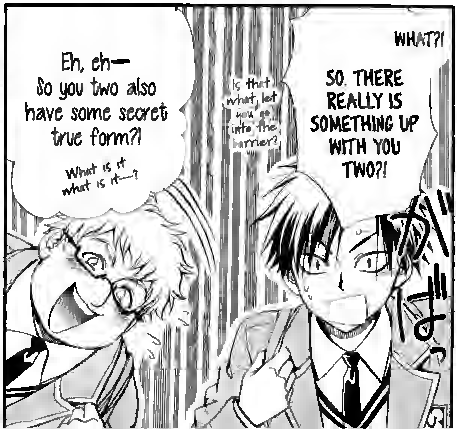
Instead of trying to find out the true forms of those guys...

ガラッ。
KEIJI!
Ah...

How could that be?
I don't do something as pointless as that.
Hteh
WHAT ARE YOU DOING HERE?!
DON'T TELL ME YOU CAME HERE SO YOU CAN CONTINUE TO BELITTLE ME!
むかっ
What's up with that? So interfering with my job is not something pointless?
My targets are...
Those two over there.
Eh...?

U-Us...?
What do you want?
I want to consult with you two about your true forms.

That's... not... true...
Erm...
わた
わた



WHAT?!
SO THERE REALLY IS SOMETHING UP WITH YOU TWO?!
Is that what, let you go into the barrier?
Eh, eh— So you two also have some secret true form?!
What is it what is it—?
ばば

Sou...
That's right, that's right! After all, everyone here has revealed themselves
PROTEST
I told you all about me, including how they think I'm useless! You should confess, too!
It looks like you've forgotten why you came to this school.
Eh...?
Obviously, there are others who are targeting you...
You're taking it far too easy even though they are so close to you!
This is why they call you useless, Masaki!
WHAT?!
You mean...

You guys are that...?
Eh?
What is going on?
Eh, what?
Now,
please hurry and reveal your true identities, okay?
If you aren't willing to talk...

Then I will use my powers to make you talk.

WAIT! KEIJI!
ばっ!

EVERY TIME YOU USE YOUR POWERS YOU NEVER SHOW MERCY. HOW CAN I LET MY BEST FRIENDS MEET SUCH A CRUEL FATE!
IF WE'RE GOING TO DO THIS THE HARD WAY THEN LET ME BE YOUR OPPONENT!!!
Kunimi...
Thy air, become a gust of wind, obstructions in thy way--
Banish them!
But--
Such a wonderful friendship!
You will go as far as to ignore the Kunimi Family's orders to protect your friends.

KUNIMI!!!
AH!
Fight me when your powers are on par with your big mouth!
AH!
KUNIMI! ARE YOU OKAY?
At a time like this... if I am... the main character in a manga... an awesome... power will awaken ...and I'll win this...
But that's in a manga... Is your body really okay?
Although we are probably fine if we are talking like that

If you can't say it honestly,
then shall I start with one of you first.
For instance, the one over there... You, on the right.
OKAY, NOW PLEASE SPEAK UP.

DON'T YOU DARE TOUCH SUI—

ぱしんっ…
IDIOT! THAT'S A BARRIER! Isn't that from a manga too?
Eh..? A force field..?
INSTEAD THE IMPORTANT THING IS... SOU!
